Cox Leads in Kentucky; Louiseville for Harding

Louisville, Ky., Nov. 3.—Gov. Cox increased his lead over 25,000 votes in Kentucky to nearly 35,000, when returns from 2,588 precincts out of 3,226 in the State had been compiled. The vote stood, Harding, 363,122; Cox, 397,939.

Only meager returns had been received up to midnight from the mountain districts in the eastern part of the State, but these, for the most part gave Harding the advantage. This section comprises the eleventh congressional district and in former elections has been considered a Republican stronghold. Louisville and Jefferson county, according to incomplete returns, gave Harding a majority.

ILLINOIS FOR G. O. P. BY HALF MILLION

Chicago, Nov. 3.—Illinois has gone Republican by approximately 500,000 according to unofficial returns from the State at large last night. Early returns gave the Republicans a lead of 200,000, but the majority was increased steadily throughout the night.

Senator Harding led the ticket. He received a 3-to-1 vote over Gov. Cox in Cook County alone it was indicated Harding's majority would exceed 150,000.

Mayor William Hale Thompson, receiving election returns at the City Hall, announced Harding had defeated Cox in Chicago by 5 to 1. He summoned a band of musicians with the announcement:

"It is time to play the "Star-Spangled Banner" instead of 'God Save the King."

Former Senator James Hamilton Lewis, Democratic candidate for governor, was defeated by Len Small, Republican nominee, according to late returns. The former senator, however, was leading the Democratic national ticket.

Eugene V. Debs, the Socialist presidential candidate, received scattering votes in early returns, and Socialists claimed their vote would exceed that of four years ago. Many women, they said, voted for Debs.

Perley Christensen, Farmer-Labor party candidate, received scattering votes. In most polling places the election officers neglected to tabulate his vote.

REPUBLICANS LEAD IN MARYLAND

Baltimore, Nov. 3.—One hundred and two precincts out of 821 in Maryland: Cox, 14,841; Harding, 16,944. Senate: Smith (Dem.), 15,346; Weller (Rep.) 14,141.

Baltimore, Ma., Nov. 3.—With only a few precincts returned from Baltimore and scattering returns from the State, the indications point strongly to a victory for Harding and the possible election of Weller to succeed John Walker Smith in the Senate. All the loans have been carried by a good majority and the present vote is for leaving the control of the Baltimore police force in the hands of the governor instead of transferring it to the mayor. Weller ran ahead of Smith in the Baltimore city precincts, but is running behind in the State.

In view of the increased number of voters, the hour for closing the polls was extended for one hour and voters had until 7 o'clock to cast their ballot. This made the returns unusually late. At 10 o'clock only two precincts had been returned. The poll was unusually heavy in all the precincts, the women making an even stronger showing than the men. Many of the larger precincts had two sets of election officials each taking about half the alphabet. A feature of the election was the evident determination of the citizens, especially the newly enfranchised women, to get the votes in early. They had been warned that if they delayed they might not be able to get their ballots in. At noon three-fourths of the votes in nearly every precinct had been cast.

Says G. O. P. Wins Ohio by 200,000.

Marion, Ohio, Nov. 3.—Based on returns received at Harding headquartres, Harry M. Daugherty, of Columbus, one of the Senator Harding's campaign managers, estimates Ohio will go for Harding and Coolidge by not less than 200,000.

Returns from various sections of the Buckeye State began raching here shortly after 6 o'clock, indicating that the Harding wave is sweeping over the State and will carry with it the election of Frank B. Willis to the United States Senate.

G. O. P. Sweeps Minnesota; Preus Leads for Governor.

St. Paul, Nov. 3.—Seventy-four scattered precincts in 28 counties in Minnesota give Harding, 19,888; Cox, 5,828. Eighty-two precincts give, for governor, Preus, 17,463; Shipstead 9,728; Hodgson, 2,967.

Arlington county went republican for the first time in recent years giving Harding a majority of 161. Representative Moore also ran ahead of the democratic ticket in that county. The vote in Arlington county follows: Cox, 835; Harding, 996; Moore. 1468; Brooks, 740; Glass, 1021; Pollard, 230.

In this county Representative Moore carried the county by 728. In Fairfax county he carried by about 1200 majority while Cox carried the county by 600 majority. In the whole county Mr. Moore ran 2000 ahead of Cox.

In Fairfax county the bond issue for good roads carried by a substantial majority.

A total of 328 persons in this city who cast their ballot yesterday had them thrown out. The ballots were badly marked in every ward in the city. Parts of some votes, however, were counted. For instance, some who had the ballots thrown out in the Presidential contest had them counted in the Congressional contest. Some in the Congressional contest were thrown out the voters only voted on the Presidential candidate.

The women voted in large numbers and fully three fourths of the number qualified took part in the election.

There are 4250 qualified voters in the city, of which number 1399 are women.

Vote in Jefferson district Arlington county follows: Cox, 140; Harding, 139; Debs 1; Watkins, 2; Christenson, 1; Moore, 202 Brooks, 182; Glass 292; Pollard, 54.

THE REVIVAL SERVICES MEETING FOR RAILROAD MEN

The meetings at the First Baptist Church are growing in interest and in power, at least two last night, made known their purpose to start the christian life. Rev. Mr. Stewart was prevented from being present last evening and the pastor Dr. E. B. Jackson preached on "The Lost Christ" On tomorrow (Thursday) evening Mr. Stewart will speak to the railroad men of Alexandria, by invitation and it is expected that a very large audience will be present. In spite of the diversions of the Hallowe'en and the election there have been large and increasing crowds. The chorus choir is doing effective work and adults are invited to join it. Mr. Stewart will be present tonight and every night this week and is hopeful of a great meeting. Members of all the churches are cordially invited to these meetings.

ELECTION RETURNS

Election returns were received last night by the Chamber of Commerce and by the Harding, Brooks and Coolidge Club. They were thrown on screens at both places. Large crowds attended both. The results was conceded before 10 o'clock and most of the spectators left after that hour, the rain causing many to turn in early. Several hundred Alexandrians also went to Washington and heard the returns.

FORMER RESIDENT DIES

Joshua Thomas, a former resident of this city, died Monday at his residence 3616 Forest Park avenue, Baltimore. The deceased was in the eightieth year of his age. He was the husband of the late Indiana Thomas and son of the late Benjamin and Jane Thomas of this city. The body will be brought here and buried about 11.30 o'clock tomorrow morning in St. Paul's cemetery.

He was a member of R. E. Lee Camp of Confederate Veterans and that organization will attend the funeral in a body.

Majority of 75 is Republican Claim In Lower House.

New York, Nov. 3.—The next House of Representatives will have a Republican majority of seventy-five, an increase of thirty over the present Republican majority, according to idications from all quarters today. The Republican Congressional Committee claims a gain of at least two Representatives in Massachusetts, two in California, two in Montana and possibly two in Kentucky. In addition, gains are expected in Missouri, Michigan and Wisconsin.

In all other States where the Republicans now have large delegations in the lower house, they have held their standing. Illinois, New York, Iowa, Kansas and Indiana have increased their strength.

Several notable figures in the last House will be missing in the new Congress. Among them are Representative John J. Esch, of Wisconsin, who failed of renomination; Frank Doremus, former Chairman of the Democratic Congressional Committee, who declined to stand for renomination, and T. W. Sims, Chairman of the Committee on Interstate and Foreign Commerce, who was defeated for renomination.

Throughout the solid south, the Democrats have elected thier full ticket without exception.

Tennessee Gives Lead to Taylor.

Memphis, Tenn., Nov. 3.—Alf A. Taylor, Republican candidate for governor of Tennessee, was leading Gov. A. H. Roberts, Democratic candidate for reelection, by 1,851 votes on the face of returns from 659 out of 2,060 precincts in the State, compiled late last night. Tehse returns gave Taylor a total of 49,189 and Roberts 47,338.

Returns from the 659 precincts gave George N. Welch, Democratic candidate for railroad commissioner, 19,274 votes and Julian Campbell, his Republican opponent 15,020.

The same returns gave Gov. Cox 52, 729 and Senator Harding 44,871.

VIRGINIA FOR COX BY 65,000 MAJORITY

Old Dominion Stands Like Stone Wall For Party Principles

ELECT 9 CONGRESSMEN

Constitutional Amendments Carry—Ninth District Goes Republican by 3,000 Majority

Richmond, Va., Nov. 3.—Virginia indorsed the league of nations and reaffirmed her allegiance to Democracy in the election of yesterday by giving Cox and Roosevelt a majority estimated early this morning on incomplete returns at approximately 65,000. Nine of the ten congressional districts returned Democrats to the House of Representatives, the Ninth District alone remaining joined to its Republican idol. Representative Slemp. Carter Glass was re-elected to the United States Senate over his "lily-black" opponent, J. R. Pollard, by a majority of probably 100,000.

Although the Republican vote is largely increased over that of any preceding election, it is evident from the returns that a large majority of the new voters remained true to the faith of their forefathers, and made Virginia a more certainly Democratic State than before.

The Republican gains appear mainly in returns from the larger cities, and are presumably responsive to the national drift to that party in yesterday's election. In the rural sections the new electorate served to increase the Democratic majorities. It is further to be noted that the drift to the Republican side seems to have been confined to Harding and Coolidge, and did not extend to the nominees of that party for Congress.

In the Seventh District it appears that Senator John Paul, of Rockingham, Republican, succeeded in effecting a considerable reduction in the usual majority of Congressman Thomas W. Harrison, which may be as small as 1,000 votes. Senator Paul has waged an active fight and is reputed to be a man of great personal popularity.

Democratic State Chairman Rorer A. James wins a notable victory over S. Floyd Landreth, of Carroll, who had made a vigorous campaign. Colonel James, who is from Pittsylvania, and who is serving the unexpired term caused by the resignation of Judge E. W. Saunders, now a member of the Supreme Court, scored heavily in his home county and in Danville and Charlotte, while the western end of the Fifth District failed to come up with the expected Republican majority.

Representative James P. Woods, of Roanoke, is overwhelming re-elected from the Sixth District, easily defeating W. N. Doak, who although the Republican nominee, was understood to be carrying also on his shoulders the burden of Farmer-Labor principles, and was credited with attempting opposition to the Esch-Cummins act while the nominee of a party which indorsed that legislation.

Representatives S. Otis Bland, in the First District; Patrick H. Drewry in the Fourth and R. Walton Moore, in the Eighth, were easy winners.

The majority of Representative C. B. Slemp in the Ninth District over his Democratic opponent, Lieutenant Boling H. Handy, of Bristol, is estimated at 3,000. Mr. Handy came into the field late, and while he made a gallant fight, the national trend and the poll-tax preparedness of the Republicans proved too much for him.

The "lily-black" Republican, Pollard, polled a negligible vote against Senator Glass.

Returns as to the proposed amendments to the Constitution are scattering and indicate that all of them have received public approbation, which verdict could conceivably be reversed when full reports are received. In some counties, where leadership had developed in opposition to those amendments which will result in large increases in public taxation majorities were returned against the road and school tax amendments, but for the most part the various proposals seem to have been without organized opposition.

Everywhere it is reported that the election was quiet, and that the presence of women at the polls for the first time went without special mark and without appreciable effect on the result except the increase in the State's Democratic majority. One result in certain cities, however, was that the greater vote resulted in parring citizens from some of the polling places because of congestion.

California Goes For Harding, 3-1.

San Francisco, Nov. 3.—At 10 o'clock last night the vote from 684 precincts in 24 of California's 58 counties showed Senator Warren G. Harding leading Gov. James M. Cox by a majority of three to one. The vote, which included 550 precincts in Los Anngeles county, gave for President: Cox, 29,847; Harding, 86,752.

Senator Phelan's vote tabulated at the same hour, from 124 complete precincts showed him running more than 2,500 votes behind Samuel M. Shortridge, his Republican opponent. The vote: Phelan 3,284; Shortridge, 5,950.

Secret Service Watches Result To Guard Victor.

Henceforth, for at least four years and four months, Warren G. Harding will be under the watchful eye of that nonpolitical and indefatigable body, the U. S. Secret Service.

At Columbus, Ohio, a little group of Secret Service operatives headed by Miles C. McCahill, one of the best-known in Washington, waited last night the final swing of the pendulum to the Republican nominee. When assurance became doubly certain that Harding and Coolidge were elected McCahill's squad prepared to take the victorious Presidential candidate under their wing. He will be guarded from cranks, dangerous or impecunious, from now on. "Jo-jo" Murphy, assistant chief of the U. S. Secret Service, arranged details while the party waited at Columbus.

White Admits Election Loss.

New York, Nov. 3.—George White, chairman of the Democratic National Committe, conceded Senator Warren G. Harding's election and Republican control of the next House of Representatives.

"The abandonment by some of the most prominent Republicans of the league of nations which they helped to construct has been successful," he said.

"The people have succumbed to the confusion wrought by the distinguished men and to the misrepresentations of those who would not and did not understand the league of nations."

"They have indorsed, I am sad to say, a separate peace with Germany.

FIVE MAIMED BEGGERS ARRESTED FOR GAMBLING

Rocky Mount, N. C., Nov. 3.—Five men who are in possession of a total of only seven legs and eight arms were arrested at a local hotel early Sunday morning on a charge of gambling. The men, according to the police, made up a party of professional beggers who were en route to Tarboro where a fair is in progress this week. They gave bond of $12.50 each, the sum being paid in pennies, nickles and dimes. They failed to answer in Police Court when their cases were called.

HIGH SCHOOL PLAYERS

Patrons and friends of the high school have a treat in store for the near future in the way of amateur theatricals. For some time, high school students have been at work on "A Scrap of Paper," a very amusing farce, which will be presented by them, November 11, 12 and 13 in the high school auditorium. If you have been in the habit of attending high school plays, you don't want to break the habit this time. If you haven't you'll want to "get the habit." Remember the dates, November 11, 12 and 13.

Cox Carries Home County by 3,000.

Dayton, Ohio, Nov. 3.—Returns indicate that Gov. Cox carried his home county, Montgomery, by 3,000 In 1916 he carried it for governor by 25,000.

HARDING SWEEPS NEW YORK STATE

Avalanche of Votes Cast For G. O. P., Candidate

NEW YORK BY MILLION

Wadsworth in Lead For Senatorship—Gov. Smith Winner Over N. R. Miller, Republican

New York, Nov. 3.—With the possible exception of the contest for the governorship, which still is in doubt. Republicans apparently have made a clean sweep in New York State.

Returns from 5,586 districts out of 7,308 in the State give Harding 1,498,134 and Cox 648,445.

If this ratio is maintained in the missing districts Senator Harding will carry the State by the unprecedented plurality of 1,125,000 over Gov. Cox.

The largest popular vote previously received by a presidential candidate in New York State was 870,070, which Mr. Taft polled in 1908. The previous record plurality was made in 1896, when McKinley led Bryan by 268,325.

Gov. Smith was leading Nathan R. Miller, Republican gubernatorial nominee, by 6,257 votes when returns from nearly two-thirds of the State had been tabulated. The vote in 4,723 districts was Smith, 900,965; Miller, 894,708.

If these ratios are maintained, Miller will come into New York city with a plurality of 384,000 over Smith, while Smith will carry the metropolitan area by 327,960 over Miller.

With returns from 1,743 districts still missing Gov. Smith's lead had been cut down to 3,031. The vote in 5,565 up-State and New York city districts was: Smith, 1,039,169; Miller 1,036,138.

United States Senator James W. Wadsworth, jr., who was bitterly opposed by organized women suffragists and "dry" leaders because of his votes against suffrage and against the prohibition amendment, was leading his Democratic opponent, Lieutenant Governor Harry C. Walker, by 232,091 votes. Returns from 2,314 districts out of 7,308 in the State gave Walker, 302,580; Wadsworth, 535,571.

In the home district of Charles F. Murphy leader of Tammany Hall, Harding beat Cox 2 to 1.

In the New York Senatorial race Senator Wadsworth was leading his Democratic opponent, Lieut. Gov. Walker.

Returns from 2,634 districts out of 4,575 in New York State, outside of New York city, gave:

President— Cox, 295,249; Harding, 388,437.

Returns from 2,256 districts give: Governor—Smith (D), 345,061; Miller (R), 514,670.

Returns from 1,696 districts give: United States senator—Walker (D) 226,667 Wadsworth (R) 401,241.

Returns from 2,025 districts out of 2,733 in New York city give:

President—Cox, 255,246; Harding, 373,772; Debs, 97,726.

HARDING'S ELECTION.

The American people wanted a change, and they have voted for a change

They did not know what kind of change they wanted, and they do not know today what kind of change they have voted for. All of the restlessness and discontent bred of the war has finally found expression in the ballot-box, and the result is Warren G. Harding.

Mr. Harding is a well-meaning, amiable man who has shown during the campaign no understanding whatever of any of the real problems of peace and reconstruction. His political career has been without distinction of any kind whatsoever. He has been simply a Republican politician of unswerving regularity who has taken up any policy agreed to by the party leaders and supported it with fidelity and such ability as he could command. Whenever there has been a division in the party councils he has followed the line of least resistance, with a marked preference for extreme conservatism.

The day he was nominated for President he was the choice of the Republicans of no State in the Union Even in Ohio the Republican voters had divided at the primaries and he was unable to obtain a united delegation from his own State. Had the question of his nomination been admitted to the rank and file of the party throughout the country it may be doubted if he would have received 300,000 votes out of 13,000,000. Yet in spite of this pitiful lack of popular support he was named for President by the Republican bosses and he was the Republican candidate.

Nominally, therefore, Mr. Harding is to be President of the United States. Who the actual President is to be and what the policies of the new Administration are to be nobody knows. Mr. Harding himself does not know, nor does he pretend to know. He will do what the strongest faction of the Republican Party tells him to do. If Mr. Taft and their friends gain the ascendancy, they will control the foreign policy of the Administration. If Senator Johnson and Senator Borah and the Battalion of Death gain control, they will dominate the foreign policy. A similar game of chance will determine the domestic policies as well.

What is certain is that the country has returned for a time to reaction, in the naive belief that Republican politics can cure all the economic evils that were produced by a war in which 10,000,000 lives have been lost and $300,000,000,000 in property destroyed.

No President of the United States at the time of his election ever showed fewer qualifications for the task that confronted him than Mr. Harding has displayed in this campaign. Apparently his mind has solidified and retains no political impressions that were made since the days of McKinley and Hanna. He has shown no capacity for leadership since his nomination. Whether he will show any capacity for leadership after his inauguration remains to be seen.

The time has now come when Republicans like Mr. Taft and Mr. Root and Mr. Hoover and Mr. Straus must redeem their own pledges. They have told to the voters that Mr. Harding's speeches against the League could all be ignored and that his election would mean that the United States would join the other nations in guaranteeing the peace of the world. The duty of fulfilment rests with them. Hundreds of thousands of the friends of the League voted for Mr. Harding in the belief that Mr. Taft and his associates had told them the truth. The record is made and the obligation must be redeemed, or they will have been convicted of defrauding both the living and the dead.

Representative R. Walton Moore is expected has been reelected to Congress from the Eighth District of Virginia, by more than 6,000. Mr. Moore led the Presidential ticket in every county in the district. The people realize the value of such an able representative who stands up for his convictions.

What Leaders Have to Say About Results

New York, Nov. 3.—Will Hays, Republican National Chairman, issued the following statement shortly after 10 o'clock.

"Precisely as has been the case in every Republic the American people, when confronted with a grave decision, have decided right. The returns seem to indicate an unparalleled majority. It is an extraordinary degree of agreement on the part of the people as to whom they want to conduct their common affairs and the course they want them to take."

Boston, Nov. 3.—"This marks the beginning of an era of national honor, patriotism and true internationalism," said Gov. Coolidge tonight, commenting on the Republican landslide. "It is an end of a period of words," he said.

New York, Nov. 3.—Former Ambassador Gerard who has been in charge of the Democratic campaign funds, issued the following statement:

"Harding's election is no surprise to me.

"The result has been in evidence for several weeks. We certainly have a fine American for our next President and, regardless of political faith, we will all put our shoulders to the wheel and help support the nation's choice. Politically or not, the nation's choice is my choice as well as yours, and it is with plessure that we will greet him as America's foremost man."

Marion, Ohio, Nov. 3.—"Whatever responsibilities are thrust upon me, I will meet them with the same justice and fairness I have always show you." Warren G. Harding told employes of his newspaper when they called to congratulate him.

Harding told them he once had to borrow money from his mother to meet the paper's payroll.

IS IT "JUST A COLD?"

Alexandria People Should Ask Themselves This Question.

Don't say: "It's just a cold."

It may turn into backache, rheumatic aches, achy joints.

Or other serious sickness that comes from weak kidneys.

Colds are due to congestion.

Congestion makes the kidneys over work to filter the blood.

Colds often leave the kidneys weak.

First break the cold;

Then use Doan's Kidney Pills to avert the kidney dangers.

Let this Alexandria resident tell you about them.

Mrs. Walker Campbell, 707 Pendleton St., says: "I caught a cold and it settled in my kidneys. I had such pains I could hardly catch my breath sometimes. When I bent over, it was hard to straighten again, the pain was so bad. My kidneys acted very irregularly especially at night. I got Doan's Kidney Pills at Duncan's Drug Store and took them according to directions. I was entirely cured and, thought that was over two years ago, I have had no return of kidney trouble since."

Price 60c at all dealers. Don't simpy ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Campbell had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

What is Nuxated Iron?

Physician Explains — Says Public Ought to Know What They Are Taking — Practical Advice on What to Do to Build Up Your Strength, Power and Endurance and Increase the Red Blood Corpuscles

The fact that Nuxated Iron is today being used by over four million people annually and that so many physicians are prescribing it as a tonic, strength and blood builder in weak, nervous, rundown conditions has led to an investigation of its merits by designated physicians and others whose reports should be of great importance to the public generally. Among these is the statement made by Dr. James Francis Sullivan formerly physician of Bellevue Hospital (Outdoor Dept.), New York, and Westchester County Hospital, who says: "When one patient after another began asking my opinion of Nuxated Iron, I resolved to go thoroughly into the subject and find out for myself whether or not it possessed the real value claimed by its manufacturers and attested to by so many prominent people. This is exactly what I believe every honest, conscientious physician should do before prescribing or lending his endorsement to any product whatsoever. If an article is worthless we practitioners ought to be the first to know of it and if it is efficacious we are in duty bound to recommend it for the welfare of our patients. A study of the composition of the Nuxated Iron formula so impressed me with the therapeutic efficacy of the product that I immediately tested it in a number of obstinate cases. So quickly did it increase the strength, energy and endurance of the patients to whom it was administered that I became firmly convinced of its remarkable value as a tonic and blood builder. I have since taken it myself with excellent results. There are thousands of delicate, nervous, run-down folks who need just such a preparation as this but do not know what to take. Therefore I have urgently suggested the wide-spread publication of the sworn statement of the composition of its formula so that the public may know what they are taking. This complete formula is now to be found in newspapers throughout the country. It is composed principally of organic iron in the form of iron peptonate of a special specific standard and glycerophosphates which is one of the most deadly tonic ingredients known. To the credit of the manufacturers it may be said that they use the most expensive form of iron peptonate, whereas by employing other makes they could have put the same quantity of actual iron in the tablets at less than one fourth the cost and by using metallic iron they could have reduced the cost to less than one-twelfth, but by this cheapening the product they would undoubtedly have impaired its therapeutic efficacy. In my opinion a careful examination of this formula by any physician or pharmacist should convince him that Nuxated Iron is to be placed among the very highest class and most strictly ethical preparations known to medical science. It excels anything I have ever used for building up the system and increasing the red blood corpuscles thereby enriching and fortifying the blood against the ravages of disease.

WISH COMES TRUE AFTER MANY YEARS WAITING

Richmond Woman Says She Lived in Hope of Regaining Health—Tanlac Made Her Well and Strong.

"For a long time," said Mrs. M. T. Whitlow, of 2705 East Grace Street, Richmond, Va., "I lived in hopes that some day I would get back my health and by the help of Tanlac my wish has at last come true, for I have gained fifteen pounds in weight and am now a strong, well and happy woman.

"I never knew what it was to feel hungry, and just had to force myself to eat. My food seemed to do me no ggod and I got in a run down condition. I was so nervous, weak and dizzy that I could not get out of my chair without holding on to something to keep from falling. Sometimes there was such a swimming in my head that everything seemed to be whirling around, and for two or three months I was so sick and weak that my family was distressed.

"Finally I went to a hospital for treatment, but that did me no good. My nerves were completely shattered and at night I would just lie wide awake suffering, worrying and wondering if there was nothing made that would help me. In the mornings I always felt so bad that I could not get up until late in the day, and then could do nothing but sit around.

"But thanks to Tanlac my condition is altogether different now. I had not finished the first bottle before I was feeling like a different person. My appetite returned, I was sleeping better and began to feel like stirring around. Now I am able to do all my own work, for I am feeling perfectly well and strong. Every sign of stomach trouble, nervousness and dizziness has left me and my appetite is so good that I can hardly get enough to eat."

Tanlac is sold in Alexandria by Edgar Warfield, jr., and Gibson's Drug Store.

Why Are Skin Diseases So Difficult to Overcome?

When your skin breaks out with itching eruptions, tetter, rash, eczema, psoryasis, or other terrifying disorders, temporary relief will do you but little good, for soon all the itching and irritation breaks out afresh with renewed fury, and you soon realize that local remedies such as ointments, salves and similar treatment will never rid you of your trouble.

These troubles originate in the blood, and if you expect real substantial relief you must treat them through the blood.

The best remedy for this purpose is S.S.S., the fine old blood remedy that purifies the blood of disease germs, and thus restores the skin to a normal and healthy condition.

Begin taking S.S.S. today, and write a complete history of your case, and our medical director will give you expert advice without charge. Address Chief Medical Adviser, 161 Swift Laboratory, Atlanta, Ga.

Timulty Proud of Party Stand Despite Defeat.

Washington, D. C., Nov. 3.—Joseph P. Tumulty, secretary to the President, officially admitted defeat of the Democratic ticket and the league of nations issue. He said:

"I was privileged to be associated with President Wilson in all his triumph. I rejoice that it is permitted to me, a humble private in the ranks, to be connected with him in this hour of Democratic defeat. I am reminded of what the President once said:

"'I would rather be defeated in a cause that some day will triumph than triumph in a cause that some day will be defeated.'"

After making this statement Mr. Tumulty left the White House and went home.

Ohio Returns to G. O. P. Fold

Columbus, Ohio, Nov. 3.—Ohio having stepped out of the Republican ranks in 1916 to elect Mr. Wilson, is giving Harding a regular McKinley plurality according to the early returns. The plurality for Senator Harding is claimed by Republican leaders to run in excess of 250,000.

Cleveland went strongly for Wilson four years ago. Last night's reports say that 589 precincts in that district give Harding 97,368 to 56,507 for Cox. Columbus gives 647.

Ohio precincts: Harding 82,965 Cox 49,764.

In the face of such returns, the Cleveland Press, a Scripps-McRae paper which ardently supported Cox, at 8:30 p. m. last night conceded Ohio to Harding by at least 100,000.

A few minutes later State Chairman Clark wired Senator Harding that his home State had given the Marion candidate a plurality of 300,000. Harding's own precinct seems to have been actuated by local patriotism, the vote being Harding 373, Cox 76.

Hoosier State Returns G. O. P.

Indianapolis, Ind., Nov. 2.—On the face of scattered returns from 200 precincts in Indiana, coming chiefly from two cities, and including 48 Indianapolis precincts, Harding has a lead in the Hoosier State. The first 200 precincts give Harding 35,114, Cox 29,721.

For governor: McCray (R) 34,222, McCulloch (D) 28,991.

For United State Senator: Watson (R) 34,050, Taggart (D) 29,811.

Cox Stands in Line 20 Minutes to Vote.

Dayton, Nov. 3.—Gov. and Mrs. James M. Cox stood in line twenty minutes in a little polling place here in order to cast their votes yesterday morning.

The doorway to the store in which the Democratic candidate voted was jammed with two lines of men and women when he arrived.

G. O. P. Sure of Kansas by Good Majority.

Topeka, Kan., Nov. 2.—Incomplete returns from the larger cities of Kansas today indicated that Harding probably would carry the State by a substantial majority, and that Gov. Allen probably will be re-elected unless the votes in the rural districts, where Republicans expected substantial majorities, failed them.

Harding Carries Wilson's Home, N. J.

Princeton, N. J., Nov. 3.—President Wilson's home district in Princeton went for Harding and Coolidge by about five to one, according to election officials. The count has not yet been completed.

Woman Leaps Into Lake With Young Daughter

Chicago, Nov. 3.—The waters of Lake Michigan washed up a tragedy Monday when the bodies of Mrs. Laura Foss, 28 years old, and her 5-year-old daughter came ashore at the foot of Winona street.

A fisherman found them at daybreak and they were taken to the nearest morgue Meanwhile Patrolman Howard Foss, returning from all-night duty, failed to find his wife and daughter at home and started inquiry. Some impelling thought led him to the morgue.

Mrs. Foss had been in poor health for some time. Monday night she visited her home of her mother and started to her own residence about 11 oclock. It is thought in a fit of depression she made directly for the lake and carrying her daughter, La Vergne, in her arms, leaped in. Each of the bodies bears an ugly mark, the print of a heay blow over the right temple, that may have been caused by the bodies beating at the stone breakway, and the police are investigating, but the fact that the rings on Mrs. Foss fingers had not been taken tends to support the suicide theory.

Penrose Far In Lead.

Philadelphia, Pa., Nov. 3.—Early returns from scattering districts throughout Pennsylvania showed that Harding was leading Cox by a vote of nearly 3 to 1, and that Senator Penrose was far ahead of John A. Farrell, his Democratic opponent for reelection to the United States Senate.

Returns from 1,222 districts out of 7,219 in the State, gave Harding 217,252 and Cox, 77,314. Figures from 752 districts in the State for senator, gave Penrose (Rep.), 115,595, and Farrell (Dem.), 34,498.

"Uncle Joe" Cannon Returned by Voters.

Danville, Ill., Nov. 3.—Representative Joseph G. Cannon has been returned to Congress from the Eighteenth Illinois District, according to returns last night.

It will be his twenty-third term in Congress.

4. This equipment, including the $25 worth of records, will be delivered to your home, immediately, upon receipt of your initial payment. Freight or Express charges will be prepaid to all points within fifteen miles.
5. The Pathe Phonograph included in this sale is guaranteed for one year, both the manufacturers and ourselves agreeing to replace any defective parts without charge during this period. Written guarantee to this effect furnished with each phonograph.

You simply MUST hear the Pathe Phonographs we are selling in this Sale. Even if you own a talking machine, or if you never expect to own one, you must hear the Pathe to learn of what a gigantic step forward the Pathe has taken in the development of tone in the art of sound production.

The function of a phonograph is to reproduce tones. Pathe Phonographs do far more than reproduce tones—they absolutely and faithfully duplicate the identical rendition of the artist in singing or playing as no other phonograph or talking machine in the entire world even attempts to do. In orchestral and band selections the entire background is enjoyed—you recognize all the instruments—and so better appreciate the blending. There is no secret difference in the Pathe. The duplication instead of mere reproduction of the living voices of the artists is due to the Pathe Sapphire Ball, which fits and rides the record grooves, so always giving the full tone value without wearing out either the sapphire ball or the record as it is being played.

Interesting comparisons of the various methods of reproduction of sound and of the various records in use—emphasize the superiority of the Pathe Sapphire Ball for duplicating the actual rendition of the artists. The Scientific American rightly says, "to have proper tone rendering, the stylus or needle must fit and fill the slot exactly; if too small, it will be thrown from side to side, giving false tones; if too big, it will give trouble by jamming, and causing excessive wear of the record." The Pathe Sapphire Ball never wears out and always fits and fills the groove in the record.

We have heard the Pathe tested by the manufacturers in comparison with other machines. We have made innumerable tests ourselves. We have used practically every well-known make of record on all machines upon which we have made our tests, and it is our candid opinion that the Pathe in conjunction with Pathe records is superior in tone to any other phonograph we have heard, it matters not at what price it sells.

This is the reason why $25 worth of genuine Pathe records are included, absolutely without charge, in this sale—to conclusively prove these facts.

You simply must hear one of these instruments before they are gone. You do not know what a source of real entertainment a talking machine can be until you have heard the Pathe.

Harding Carries Maine By a Record Plurality.

Portland, Me., Nov. 3.—Senator Harding carried Maine in yesterday's election by the largest plurality ever given a presidential candidate in this State. Of the first sixteen cities to complete their returns, Cox carried only one, Biddeford.

In 1916 Wilson carried twelve of these cities.

The State of Maine complete gives Harding 134,411 and Cox 58,078.

Harding's Lead in Nebraska Going Up to About 129,000

Omaha, Nebr., Nov. 3.—At 11:45 last night, when 406 out of 1,877 precincts in Nebraska had been heard from, Senator Harding had a plurality of 31,631 over Gov. Cox. If the ratio is maintained the Republican nominee will carry the State by about 129,000.

In the governorship, the heavy vote cast for Wray, independent, made the result more doubtful, but Gov. McKelvie was leading his Democratic opponent, former Gov. John H. Morehead, by 5,000.

Democratic Ticket Seems Winner in New Mexico.

Alberquerque, N. Mex., Nov. 3.—Eighteen precincts out of 679 give:

Harding, 2,046; Cox, 2,886.

Congress: Montoya (Rep.), 2,043. Lucero (Dem.), 2,887.

Governor: Mecham (Rep.), 2,042. Hanra (Dem.), 2,890.

Harding's Lead in Iowa Is 3 to 1.

Des Moines, Iowa, Nov. 3.—Senator Harding was leading Gov. Cox by nearly 3 to 1 on reports from 247 precincts out of a total of 2,360 in Iowa at 11 p. m. These precincts gave Harding 61,236; Cox, 21,545. Senator Cummins, for reelection, had almost a 2-to-1 lead over Porter, his Democratic opponent, on returns from 158 precincts.

For governor: Kendall (Rep.) was leading Herring (Dem.), 29,000 to 17,000, on returns from 141 precincts.

Harding Plans Trip to Texas.

Marion, Ohio, Nov. 3.—President-elect Warren G. Harding and Mrs. Harding will leave Marion next Friday night or Saturday morning for a vacation at Point Isabel, Tex., near Brownsville, as the guest of "Ed" Scobey, a close personal friend of the Senator.

Mr. Scobey has a ranch near Point Isabel, where he has resided for fifteen years, although formerly he was a resident of Marion, Ohio. According to plans, Senator Harding will remain at Point Isabel for about two weeks, going from there to Galveston, where he will take passage on a steamer to Panama. Following a trip through the Canal Zone, the President-elect and Mrs. Harding will return to New Orleans, going from there to Bedford, Va., where arrangements have been made for Senator Harding to address a convention of the Order of Elks, of which he is a member.

Marion probably will be the headquarters of the next President during the winter and up until the time when he goes to Washington for the inauguration in March. It is understood that the visit to Panama will be purely a pleasure trip, as neither Senator nor Mrs. Harding has been the Canal.

Cincinnati, Ohio, Nov. 3.—Aaron S. Watkins, prohibition candidate for President, voted for himself yesterday.

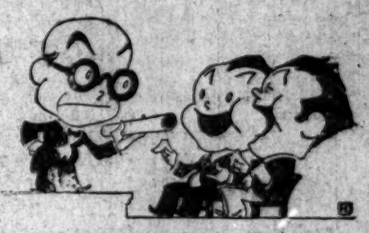
Every man in the class knew the answer

PROFESSOR HASKINS,
WAS A kindly soul.
BRIGHT ON some subjects
BUT SO absent-minded.
THAT ONE day at the barber's
HE TOOK off his collar.
TO GET shaved.
AND FORGOT where he was.
AND KEPT right on.
TILL THE cash-girl screamed.
AND A barber stopped him
HE WAS a great smoker,
BUT HE'D often put
THE BURNT match in his mouth.
AND THROW away.
THE CIGARETTE.
HIS STUDENTS loved him,
HE WAS so full
OF FUNNY surprises.
ONE DAY he had a tube
OF RADIUM and he told
THE STUDENTS all about it,
AND FINALLY, by mistake,
INSTEAD OF the tube,
HE PULLED out one
OF HIS cigarettes.
AND ASKED the class,
"WHAT IS the one thing
WHICH DISTINGUISHES
THIS MARVELOUS substance
FROM ALL others on earth?"
AND THE class roared,
"THEY SATISFY."



WHAT is it you've always wanted a cigarette to do? You know the answer. Chesterfields do it—they not only please your taste, they *satisfy!* It's all in the blend—a *secret* blend of fine Turkish and Domestic tobaccos. It puts Chesterfields where none can touch them for quality and value.

J. G. HALL THREW AWAY HIS CRUTCHES BECAUSE HE DID NOT NEED THEM AFTER TAKING RE-CU-MA.

FOR SEVEN YEARS HE COULD NOT WALK WITHOUT THEM

The manufacturers of Re-Cu-Ma do not claim that it will work miracles, but here is a case where it actually put a man on his feet again after seven years' use of crutches. Everyone in Bellair, Florida, knows J. G. Hall an everyone has confidence in what he says. Many of his townspeople were witnesses of his act of throwing away his crutches after having taken seven bottles of Re-Cu-Ma M. Hall on his crutches has been a familiar sight to his friends; he was almost bent double; in fact; he was so badly crippled with rheumatism that even some of his joints were dislocated and of course he suffered agony at all times, no relief at any time. Mr. Hall was thoroughly discouraged and felt that he would never be able to get around again like other men; he had spent a small fortune with doctors in many places, but without avail. He took one bottle and saw some help and was encouraged enough to take more and now, after taking seven bottles he feels practically cured. He has gained 32 pounds in weight and is able to work hard every day. He is employed as night watchman at the world famous Bellair Hotel and takes an active interest in Masonic and church work. Mr. Halls remarkable cure should be a beacon of hope to others who are similarly afflicted, for we naturally feel that Re-Cu-Ma can do as much for other sufferers. Try it today—we sell it on the guarantee that your money will be refunded if you do not feel benefited after taking it four days. It sells for $1.20 plus war tax and can be had at Rexall Store and all drug stores.
